Utah State Director's Message

"To accomplish great things, we must not only ACT, but also DREAM not only PLAN, but also BELIEVE"

God did not promise days without pain, laughter without sorrow, sun without rain, but He did promise strength for the day, comfort for the tears, and light for the way.

As the plans for the 2011 Samboree are being finalized I am impressed and excited. What a wonderful time will be enjoyed by those attending; and those that do not attend will miss out on a marvelous opportunity to experience FUN, FOOD, and FELLOWSHIP. One of the outstanding benefits of being a Chapter member of Good Sam's is meeting and enjoying association with many other people. Sharing experiences, telling stories, the magic of the campfire, eating a wonderful meal, these joys are the foundation of a life-time.

Recently, State Staff and others have been meeting with people and telling them of the benefits of joining a Good Sam Chapter. Brochures have been handed out at the recent RV Show and at various activities at Camping World. The result has been rewarding. We have had several people contact us in regard to joining a Chapter and expressing a desire to attend the Samboree. We know there are friends and neighbors throughout the State of Utah who would like to join if the only knew about the Chapter activities and were invited to attend.

Since we are now in the Camping season there are many opportunities to give service and to let people see the fun that Chapter members enjoy. It has been observed that when people see others having fun and enjoying one another's company that they want to join in. We certainly applaud those Chapters for all that they do and the many kind acts of service that are rendered.

I would like to take this opportunity to personally thank the Chapters for their involvement in the Samboree. It is impossible to have a successful Samboree without the Chapters taking and fulfilling various responsibilities. Truly we are grateful for their interest and for their involvement.

Another exciting thing that has taken place has been interest in the Samboree by "Members-at-large". These are people who are members of Good Sam's but have not joined a Chapter. Several people have heard about or read about the Samboree and have contacted me about information. We certainly welcome these at our Samboree and want to involve them in our activities.

During the past three months Rosalie and I have had the opportunity to visit a few Chapters at their meetings. This has been a great pleasure! Again we are impressed with fun and fellowship that the Chapter members enjoy. It is exciting to listen to their planning of various activities. We are anxious to visit all of the Chapters.

One other item of interest is that the Highways magazine beginning in June will be returning to some of its previous features. There will be two pages reserved for Chapter News. The June issue will feature information about the Georgia Samboree and the International Chapter of the Year. The magazine would like information about Chapters. Chapter news should include photos and news which is relevant and entertaining to all readers. The object is to spotlight and promote Chapter activities. Highways Magazine has 1.3 million readers. Chapters are encouraged to submit information and photos to Susen Zobel, our Utah Salty Sam editor.

Thanks for all you do and we look forward to greeting you at our Samboree.

Ready In: 1 Hr 20 Min Servings: 6

Ingredients

- 1 (28 ounce) can tomato sauce
- 1 (6 ounce) can tomato paste
- 1 (8 ounce) can sliced mushrooms, drained
- 1 (12 ounce) package shredded mozzarella cheese
- 3/4 teaspoon crushed red pepper flakes
- 2 tablespoons olive oil

- 3 red bell peppers, thinly sliced

1. Mix the tomato sauce, tomato paste, mushrooms, mozzarella cheese, and red pepper flakes together in a bowl.
2. Heat the vegetable oil in a skillet over medium heat. Stir in the green and red bell peppers, garlic, and onion; cook and stir until the onion has softened and turned translucent, about 5 minutes. Drain and reserve the liquid from the vegetables; set aside.
3. Spread about 1/3 of the tomato sauce mixture into the bottom of a casserole dish. Layer 1/2 of the vegetables on top, then repeat the layers, topping with the remaining 1/3 of sauce. Drizzle the reserved liquid from the vegetables on top.
4. Bake in the preheated oven until the cheese is melted and the sauce is bubbly, about 45 minutes.

SERVICE PROJECTS

Camping with friends is what we love to do but service makes our time so much more memorable. It is the thing that helps us build relationships and gives us that feeling of worth.

Whether our goal is "Chapter of the Year" or not service is a fun thing to do. As I

attended the "Chapter of the Year" break out session at the State Committee Training in Heber on April 30th, I found out that many of the things we just naturally do as a chapter count toward service in "Chapter of the Year". The idea is to have members of your chapter involved. The more the merrier and the more credit toward "Chapter of the Year". Just an aside in case you are as confused as I was about when you start counting service toward "Chapter of the Year" it runs from Fall-Tag to Fall-Tag which is basically September to September.

In searching for ideas on volunteering I found a website <http://volunteerguide.org> This website gives you access to opportunities that take as little as 15 minutes to a few hours, from a onetime activity to a continuing commitment. They also have listings that allow you to choose the area you would like to give service in such as: animal welfare, children's issues, community development, environmental protection, healthcare and overcoming poverty.

Sounds Great! Can't wait for summer camping! Please submit your potluck ideas to: Susen@comcast.net to be published in the Salty Sam.

I am also thinking of a continuing article on ideas for service projects that will be fun and will help unify our chapters. Please submit those ideas as well.

When you are submitting ideas, please put the category in the subject line.

The secret of all great undertakings is
hard work and self-reliance.

Tips for Successful RV Travel

By John Noble

RV travel is easy to learn, and once you've got the hang of it there'll be no going back! Here are six helpful tips that will come in handy for both beginning and seasoned RV enthusiasts:

1. Map Your RV Travel Destinations

A large part of the RV appeal is the exhilarating freedom of the open road — to go wherever you want, whenever you want. But it helps to have a solid travel plan in place. If you know where you're heading, you can determine the route that will offer the most interesting sights.

Look in RV and other travel guides, contact tourism boards in states you'll be passing through, and search the Internet.

Make sure to bring the correct road maps, and a GPS system is a good idea as well, especially if you're new to RV travel.

Carefully designing the route you'll be taking will make it easier to do spur-of-the-moment things like checking out that oddball museum you just spotted on a roadside billboard!

2. Have A Checklist? Just Checking

During your pre-trip prep, in addition to working out what needs to be in the RV, put together a thorough checklist of things to do when setting up at an RV campground.

There are the basics:

- Locate all campground connections
- Make sure your RV is level
- Properly hook up your water, gas and electric systems

Don't forget comfort concerns, like making sure you packed your favorite CDs and DVDs, and those new lawn chairs.

Equally important, you should have a second checklist of things that have to be done to break camp and set up your RV for departure (Quick hint: when you think the job is done and everything is ready, check again).

Be Prepared with a "Just-For-The-RV" First-Aid Kit

Always make sure you have a fully stocked RV first-aid kit, and keep it in an outside storage compartment.

Your RV first-aid kit should include basic medical supplies:

- Bandages
- Ointment
- Over-the-counter pain reliever
- Insect repellent
- Scissors
- An emergency supply of must-have medications

Plus the following extras for your RV:

- Flashlight and extra batteries
- Paper and pens

- A disposable camera in case you have to take photos of an accident site.

- Cell phone and charger

If you don't feel up to the task of putting together an RV first-aid kit yourself, an extensive range of ready-made first-aid kits is available for purchase.

Don't forget to include a list of important contact information, including family members, doctors, insurance agents, etc. [Editor's note: Leave a copy of your itinerary and your contact information with a family member or friend, in case you need to be located in an emergency.]

RV Camping with Kids and Pets (heck even just yourself)

If your RV travel includes children, make sure to set aside time during the day for outdoor activities, as even the roomiest RV can be confining for kids and adults.

And give each child his or her own space in the RV (no matter how small) for toys, games and personal stuff.

RV travel is a unique opportunity for your children to see new and different places and faces. There are often plenty of other kids at campgrounds — but be sure to walk around a new campground with your children when you first get settled there. They need to know how to find your campsite and navigate the RV grounds. If you plan to bring the family pet, check beforehand to confirm that pets are allowed at the RV campground.

A Little Help From Your Friends

When in doubt, ask your fellow RVer. However well-traveled you might be, odds are there is someone you'll meet along the way who has been somewhere you haven't, solved a problem you haven't yet encountered, or spotted an out-of-the-way delight you've never heard of.

No matter how much research you've done, there's bound to be an RV campsite you haven't read about, a storage system that has escaped your notice, or a funny anecdote that you'll laugh about for years to come.

The new folks you meet may or may not become close friends for life, but they are an important part of your RV journey.

CHAPTER NEWS

BEEHIVE ROAMERS ~ Salt Lake /Davis Counties

February –

Our February luncheon was held in Salt Lake City at the Sizzler Restaurant with Reed Hubbard as our delightful host. 25 people were in attendance. Several of our members were missing as they have packed up their RV and headed for a warmer climate to spend the winter. After enjoying a good meal with lots of visiting, we had our business meeting. We begin each meeting with the Pledge of Allegiance. Our president, Merrill Rowley was ill so Frank Murphy, our vice president, conducted the meeting. We were very happy to vote in two new members, Deanna and Warren, as Beehive Roamers. Welcome aboard! We discussed our camp-outs and are making plans for a wonderful camping season. We received a thank you for our donation to the Volunteers of American, Utah. Arlene Stringham completed our meeting by sharing a poem on "How to Grow Old". Of course, none of us like to think we're getting old.

March-

The Joy Luck Restaurant in Bountiful was the setting of our March meeting. David and Gloria Lord were our gracious hosts. Twenty-four members were in attendance plus two former members Dee and Ann Hanson. Our business meeting was held. Our summer camp-outs were discussed along with the Samboree and Tag-a-long. We're looking forward to lots of fun activities this year.

April-

It's Camping Time Again and we were off to Springville to the East Bay RV Park. It's not too far from home and a fun way to start our camping season. Along with quilting, visiting, playing games, visiting and whatever, we visited and toured the Kolob Foundry in Springville. We saw the works of renowned sculptor Gary Lee Price. He has his work displayed all over the world. We even went to his home in Mapleton and saw his work in progress. Several members also went to the BYU Museum of Art and viewed the Carl Bloch display. 17 quilts were completed to go to Primary Children's Hospital. Dinner was enjoyed at the

Cracker Barrel during our stay and our business meeting was held Friday afternoon with 24 people in attendance. In the evening a pot-luck was enjoyed by everyone and a breakfast buffet at the Flying J was available for those interested before heading home. Thank you to our hosts Dick and Peggy Anderson and Gordon and Arlene Stringham for a well-planned event.

COLOR COUNTRY RAMBLERS ~ Washington County

February-

The February campout was near Laughlin, NV at the AVI Resort and Casino on February 16, 17, and 18, 2011. It was hosted by Vic and Rosey Hoffmann. There was a lot of good food and on Friday we always have our pot luck lunch before our meeting. Joyce Chabot had a little trouble herding her motor home through Vegas, so Sarann Williams offered to drive her rig. Sarann used to drive a truck so she was in good hands. There were 25 members at the camp out plus two prospective members, Chuck and Joanne Walrath. Some of the members went to see the London Bridge while we were there and also some went to Oatman to see the donkeys. Gwenn Moore is recovering from hip surgery. The ladies lunch was hosted by Maurine Etzel at Iggy's Restaurant followed by dominoes at her house. It is always held the first Wednesday of the month.

March-

The Nevada Treasure Luxury RV Resort was the location of the March camp out on 23, 24 and 25 March 2011. It is seven miles North of Pahrump, Nevada and was hosted by Tony and Gloria Del Prete. There were 39 members attending, plus Chuck and Joanne Walrath who were voted in as members of the club. There was one other visitor, Warren Underwood, who is a friend of John and Sharon Holwager. It is quite a resort, they have facilities for all kinds of activities and a meeting room for our events. There were many games with the following results: Horseshoes winners were Hal Jones and Chuck Walrath; shuffleboard winners,

Hal Jones and Stan Rowsell; bowling, Dave Holmes and Lue Jensen and the lowest score was Norma Barnes; putting, Bob Nissalke and Stan Rowsell; hole in one, Bob Nissalke, Daryl Miller, Stan Rowsell and Tony Del Prete, also Margaret Miller, but her hole in one was a little questionable; cookie stacking, Linda Benser, candy guessing, Stan Rowsell, and Bunco high score was Lue Jensen and low score was Margaret Miller, the most Bunco's was Warren Underwood. I have heard about bowlers going down the alley with their ball, but this is the first time that it actually happened. The person that it happened to knows who it was, but we will let it stay anonymous. As you can see, there were many activities to keep us occupied. The ladies lunch was hosted by Carolyn Rowsell at the La Frontera Mexican Restaurant, followed by dominoes at the Palms RV Resort Clubhouse. The ladies always enjoy this event.

April-

Willowwind RV Park in Hurricane, Utah was the location for the camp out hosted by Wayne and Carole Plute. The Clubhouse was available for our meetings, happy hour and pot luck. There were 27 members present, Barbara and Gordon Swan had to leave because Barbara suffered a stroke early in the morning and Gordon had to take her to the hospital. We hope all goes well for her. Carole and Wayne served dinner with a Mexican theme, chicken enchiladas, salad, tortilla chips and dip, and a very special chocolate cake with flan on top that took two hours to cook. There were several mishaps with her dinner, and a few tears shed, but it was a lovely meal and everyone appreciated her efforts. The Assistant Wagon Master, Kent Nicklas, reminded us to check our fire extinguishers to make sure they will work if they are ever needed, and to check our running lights, turn signals and brake lights to make sure they are in working order. President Margaret Miller said that our yard sale was a success in spite of the weather and appreciated all of those who helped to make it such a success.

The ladies lunch was hosted by Jan Frisbey at the Gun Barrel Restaurant with dominoes at her home following the luncheon. We all enjoy these socials just to relax and get away from every day stresses.

~ Maurinne Etzel

February-

The Golden Corral in Orem was the scene for our meeting with Dave and Lynda Monson and LaVerne Walker being our hosts. We accomplished a lot of business and feel great about the direction we are heading this year. We discussed our budget, By Laws, service hours, new members, our Samboree assignments, and the Fall Tag. Alene Peay gave each of us a list of items needed for several humanitarian projects. She asked that we each bring some of these items to our next meeting in March. Blaine and Sharon Nielsen were voted in as our newest Deer Sams members. Kathy Keller gave us the opportunity to go to Timpanogos High School and stamp, number, and record many of the new books in their library so they would be ready for the teachers and students to check them out. We either make ourselves miserable, or we make ourselves happy. The amount of work is the same. We elected to make it a fun service project which kept us inside out of the rain and snow. Birthdays for the month were Venice Gammon, Lynn Walker, Allen Austin, Gary Houston and Blaine Nielsen. Anniversaries for Feb. were Bud & Karen Jensen and Lee and Carolyn Gillman.

March-

Our hosts for the night were Lynn and Ron Todhunter and Kathy Pace. We met at Prestwich Farms in Spanish Fork, Utah. Birthdays for the month were Karl North, Dan Davies, Chris & Betty Christiansen, and Deloss Peay. After a great meal and lots of socializing we had an informative meeting. President Lee Gillman passed out the budget for the year which we reviewed and passed unanimously. We were given a copy of our By-Laws and Operations and Procedures to review and discuss so we could get them ready to vote on. State Director Harold Jacklin congratulated the Deer Sams in receiving Honorable Mention from National Good Sams. President Lee Gillman read a letter from National Headquarters congratulating Deer Sams on being Honorable Mention winners. Each of us will one day be judged by our standard of life, not by our standard of living; by our measure of giving, not by our measure of wealth; by our simple goodness, not by our seeming greatness. The simple goodness of the Utah Deer Sams is what unites our chapter and makes us strive to become even better. Items were brought for our

humanitarian projects. Six couples from the Deer Sams attended the Nevada Samboree in Pahrump. It was a great Samboree and everyone had a fun time. We encourage others to attend out of state Samborees.

April-

There was no fooling around about our April meeting. Yes! We met on April 1st at the Sizzler in Orem. Our hosts were Blaine and Sharon Nielsen and Ray and Neva Freeman. Celebrating birthdays were Dave and Glenda Johnson, Don Harvey, Arvilla Goetz, DyAnn Houston, Elaine North, Betty Morrell and Lee Gillman. A birthday is just the first day of another 365 – day journey around the sun. Enjoy the trip! Our By Laws and Operations & Procedures were handed out with all the changes and we were asked to read and review them so they can be voted on next month. A discussion about Good Sam's Cleanup Day was led by Lee Gillman. Several suggestions were made and we will review these and vote on them next month. Reminder of the State Spring Meeting at Timpanogos Intermediate School on April 30th was given to all those who need to be in attendance. Applications and monies were turned in for the Samboree. We voted to have lanyards and badges made to wear with our chapter shirts and vests. It will be a fun conversational way of introducing our Chapter and invite new members to come and enjoy the experience of being in a chapter. We are all looking forward to our May Campout and keep our fingers crossed that we don't have more SNOW. Snowmen fall from Heaven UNASSEMBLED!!!! We are hoping that the last snowmen have fallen for this year.

~ Jean North

HAPPY HOBOS ~ Utah County

February-

We held our chapter meeting at the Sizzler in Orem. It was well attended, which included several of our honorary members that we are always happy to see. President Pink Carter conducted the meeting and Vice President Jim Green led us in the pledge. Pres. Carter gave us the date for the June State Samboree and asked for volunteers to head the parade. With the summer campouts coming up, he asked for a report from the hosts as to their plans and destinations. We have several honorary members

who are in poor health and he asked for a report from anyone who had an update on their conditions. We had a delicious meal and great conversation. Happy birthday was sung to Jim Green, Pat Hardman and Joyce Phillips. Prizes were won by LaRae McMillan and Ben Miller. Hosts were Glade and Bonnie Hilton.

March-

Our chapter met at the Asian Buffet in American Fork. Pres. Pink Carter called the meeting to order after a great feast of Chinese "good stuff". Wagon Master Don Hardman led us in the pledge. Our meeting started on a sad note, as we are all missing Arlo Walker who passed away since our last meeting. Wes Swensen expressed his gratitude to the chapter members for the kindness that has been shown to him and Virginia since they had to become honorary members for health reasons. We continue to invite our honorary members to all the chapter activities. The main topics were recruiting new members, summer campout plans, finances and the June Samboree. Happy birthday was sung to Jane Tidwell, Ken Unthank, Don Hardman and Marsha Whatcott. Prizes were won by Eileen Gonzales and Jerry Wadley. Hosts were Lyman and Jane Tidwell.

April-

The Golden Corral in Orem was the gathering place for April. The hosts were Jack and Joyce Phillips. Pres. Pink Carter conducted the chapter meeting and Wagon Master Don Hardman led us in the pledge. The Scoonover's were welcomed, since they brought Wes and Virginia Swensen to the meeting. He informed us that Jim and Marilyn Green and Lyman Tidwell had had some health issues since our last meeting. Hopefully, they are as good as new soon. A letter was read from Ken and LaRae McMillan requesting to go honorary status. They thanked everyone for the friendship that has been extended to them. Two new couples were presented as prospective chapter members. They are Dan and Sue Turner and Glenn and Karen Fletcher. The voting by members was unanimous in favor of their membership. Our parade entry for the Samboree will be chaired by Pat, Joyce, and Marsha who have done this for several years. Eileen Gonzales offered to give them a helping hand. I'll bet they come up with a WINNER. Dan Turner made the motion to start saving can tabs again. Ron and Eileen gave each couple a group photo taken at a campout last fall. Happy birthday was sung to Delma Shoell and

Naomi Keetch. Prizes were won by Jane Tidwell and Ken Unthank.

~ Gwen Unthank

GOLDEN SPIKERS ~ Ogden

February-

Our February meeting was held on a cold night at the Sizzler in Ogden. Our newly elected president Bill Marsh took charge of the meeting and did a great job. Because of the harsh winter weather, several of our members have missed meetings due to illness. We hope the weather improves soon and wish all of those suffering a fast recovery. Two members, Pam Toll and Julie Thomas both volunteered to audit the club books. We are sure that our ever efficient JoAnn Trudel has made no mistakes. After dinner, we all hurried home to warm homes.

March-

On March meeting was on a very rainy evening at Marie Callender's in Layton. We were glad to see Bill and Mary England at this meeting. It has been awhile since they have attended. Once again members were absent because of ill health. We wished all those members a speedy recovery. Bert Mezenen, one of our snowbirds, is recovering nicely from back surgery he had in California. We look forward to his return. The audit of the club books is complete with no errors or irregularities found. Our President, Bill Marsh told a couple of jokes to help keep the gloomy night away. The most important part of the meeting was voting in our new members Gary and Jan Hyde. We are so happy to have them join our club. Jan's folks Bill and Adell Timmerman are honorary members. Her sister Jolyn and husband Cliff joined our club earlier. It is nice to have such participation from one family! This month we had no charity drawing. Our great member, Ella Folsom, has volunteered to be in charge of charity drawings and she was ill that night. We appreciate the great job she does and missed her a lot tonight. We all want the weather to change so we can start our camping adventures.

April-

Our April meeting was held at Bella's Mexican restaurant in Ogden. They say April showers bring May flowers. Well there better be lots of flowers because we sure have had a lot of rain. Once again, it rained the night of our meeting. Our honorary member Bert Mezenen has returned from California

and is coming along just fine recovering from back surgery. Bill Marsh passed out registration forms for the Samboree in June. Just talking about the Samboree has helped us chase off the winter blues. We are all hoping it does not rain in Nephi like it did last year! Maybe since we seem to have a rain storm every month we meet it will surprise us and be nothing but sunny at the Samboree.

~ Leslie Lansford

OLYMPUS SEAGULLS ~ Salt Lake County / Tooele

February:

We got together at the Olive Garden in West Valley City on February 10, 2011. Our hosts were Ron and Alice Dale. Richard Snideman conducted the meeting. We had 20 members present. The food was good and the company was great! We celebrated the birthdays for Alice Dale, Dave Millburn, Jerry Rasmussen and Wayne Worwood. The Door Prize was won by Linda & Burnell Williams.

March-

OVER THE HILL SAMS ~ Ogden / Roy

February-

For us stay-at-homers this winter weather really gets to be a drag. And it really gets to be bad when the only thing we have to look forward to is to have

the snow plow come along and clear the street, and to have our driveway cleared by someone other than myself. And the only real fun time for those of us who don't ski or snowmobile, etc., are those days we can duck out between the storms and go shopping and go to a restaurant for "Cooks Night Out". Our "Chef", Sherm Sewell, makes arrangements for us to go various places, and keep ourselves well fed. All the while we're thinking of our good buddies who are down south in the sunshine, shopping at the swap meets both large and small, enjoying date shakes, and going to fun places in their shirtsleeves.

March-

We started the month by going out to breakfast at Jeremiah's. Our Humanitarian Chairman, Sharon Wheeler, was able to purchase 71 pairs of sweat pants at \$2.00 a pair, to be given out to the various schools. Joyce Smith also bought some for the schools as well. Dean Scadden finished the group of blankets he has been working on to be given to various charities in the area. We also went to the Greenery and to Maple Gardens during the month. That Sherm doesn't let us stay on our diet very long. It's so nice to have our "Snowbirds" returning. They have all been missed, and we are very happy to have them return safely, and with good stories to tell. They're here in time for all the spring snowstorms. The Wheelers have been on a Hawaiian Cruise, which they really enjoyed.

April-

We were all saddened by the passing of our beloved Catherine Clement, on April 3rd. We send our love to Lee and their family. They were so very enjoyable to be around and do things with, and were so active in our group for so many years. She will be greatly missed.

Former member Ed Arnell celebrated his 95th birthday this month. Wayne Wilde, Wagonmaster, made arrangements for our chapter to go to BYU to view the Carl Bloch art exhibit. This was a great opportunity for us. We dined at the Golden Corral in Bountiful on the way home. We are so lucky now to have all the beauties of the spring flowers and blossoming trees. Just this morning I thought we were in for another snowstorm, and what I thought were a couple of snowflakes passed by the window. I was much relieved when I saw it was petals blowing off the neighbor's fruit tree.

The next day, after sharing a very tasty breakfast, we went on a hike up Mosaic Canyon, visited Painters Pallet and Bad Water, which is the lowest elevation in the Western Hemisphere, 282 ft. below sea level. We spent our last night at Leeds and headed home on Sunday. It was a very interesting and informative

trip and despite the fuel prices, we all had a great time. A few hours before our monthly meeting we got word that Fred Curtis had fallen off a ladder and broken his pelvis. He is currently undergoing treatment at McKay Dee. We wish him the best and a speedy recovery.

Our Sunburst Sam's chapter dinner meeting was hosted by Scotty and Tom Tapper, The club had a lovely dinner meeting at The Amber in Spanish Fork. Scotty prepared a goody for each person. There were 16 members present. Glenda Edwards, our club president conducted the meeting. At the meeting a report was given on those who were not here

(Still in Yuma) and those who were having health problems. The club discussed the upcoming trip to the kite feasible in Washington. Also on everyone's mind is the start of camping season. Our trip to Moab in May is the 1st camp out for the Sunburst gang.

A big happy birthday wish was given to Carol

Oxborrow who will have a birthday on the 14th of this Month.

April

Since the last meeting of our chapter went so well at the Amber in Spanish Fork, the host for this month's meeting Shirley and Ron Beck chose to have the meeting held in the same place. Most of our chapter members have returned from Yuma. All said they had a good time, but the weather this time down in Yuma was not as great as those who were down there had hoped it would be. Glenda Edwards started the meeting by announcing that most of the chapter members had told her they would not make the trip to Washington this August since the price of gas was out of sight. It was decided that the trip was a no go and canceled. A lot of camp discussion was held on where we could go and what we could do that is close to home for the July and August camp outs. The Moab trip in May will be the Sunburst group big out for this year unless the price of fuel drops. As of now, there will be 16 of us heading to Moab the 16th of May. OH HAPPY DAY!!! Food assignments were made for the Moab camp out. A happy birthday was wished to 6 of our group. This concluded our April dinner meeting.

SUNDOWNER SAMS ~ Salt Lake County

February-

We met at the Murray Heritage center with hosts Marvin And Joan Lee and Susen and Marty Zobel. We had the usual opening by President Burton, the meal was catered by Golden Coral, Chicken, potatoes, corn, rolls, green salad, well, you know the drill.

When it was time for the games, we did MINUTE TO WIN IT. Well it was fun to see if we were as good as the contestants on the show. We were a lot slower. Couldn't shake the gum in the rattle, couldn't make the ball into the garbage can, but some were able to thread the macaroni on to the Spaghetti and stack the nuts. It was crazy and we were able to find out who was still game worthy. But we all had fun.

March-

For March we had 24 in attendance with 2 visitors hosted by Don and Charlotte Beebe and Tim and

Caroline Noyce with the theme of Saint Patties day. With Don as narrator, we were to guess who he was talking about with the facts and notes he described.
