## Utah State Director's Message

Brent and I are honored to fill the interim position for Utah State Director. When Harold and Rosalie approached us with their dilemma of not being able to be State Directors because of their new appointment as Regional Directors and needing someone as soon as yesterday we fell back on "We used to think we were indecisive, but now we are not so sure." You've heard the saying; "If the first thing you do when you wake up each morning is eat a live frog and nothing worse can happen for the rest of the day!" Well neither of us like frogs to eat so we agreed to hold this position until an election will be held and a State Director appointed.

We love the Chinese saying: "Go to the people, Live among the people, learn from them.

Start with what they know, build on what they have, and when the task is accomplished know that we accomplished this together. "If we all share a common direction we can get where we are going more quickly and easily because we are traveling on the thrust of one another. Brent and I will pull together with those who are headed in the best interest of Utah Good Sams and we will be willing to accept their help as well as give ours to others. We will take turns doing the hard tasks as well as sharing leadership. We need to become interdependent with one another. We believe in two powerful things, Recognition and Praise. We want to aim for the heart of Good Sams. To accomplish great things, we must not only act, but also dream; not only plan, but also believe. We believe that by being amongst our fellow Good Sammers, working together, and trusting in each other we can run this club together and finish strong. We are team players. There is no "I" in team. TEAM: - together - everyone- achieves- more.

Brent and I were able to attend a conference in Florida where CEO of Good Sams and Camping World, Marcus Lemonis, shared his purpose and vision of the Good Sam Club. Camaraderie - Volunteerism- Supporting one Another. These are three things that function like a tripod. You need all three of them to make it work. He stated that volunteering is the best sole cleansing, and there is no reason it would be a bad thing. His vision for Good Sams is to be the World's Largest Volunteer Organization. We want to leave our footprint. Brent and I believe that service is the lifeblood of any organization; everything flows from it, and is nourished by it. We all become stronger because of it.

Good Sam is moving forward in a positive way. Good Sam Clubs will be sharing the same Constitution and Bylaws nationally for legal ramifications. It's simplified, no more having to make changes and adoptions to it, the next few months we will be working on Operations and Procedures for State and Chapters. We need to keep these simple, we need to make sure to not limit our growth, make sure of no discrimination, and most importantly we need to move forward with these in building friendships, making new ones, and having fun as we do it.

We will be holding an election for your State Director. It is important that this position be filled by the vote of the people. We want to congratulate Harold and Rosalie on their new position and want them to know that they have our support unconditionally. Brent and I are sharing this position together. We work better as a team and will hold ourselves to higher standards to help better the Utah Good Sam organization. We are excited to work with all of you and want you to know that any concerns or suggestions from you are most welcomed. We love being members of the Good Sam organization. We are commitment to you is one hundred percent. You don't deserve any less. Let's move forward with enthusiasm and fill our chapters with lots of camaraderie, volunteerism, and always support one another.

Sincerely,

Brent and Jean North

## Regional Director's Message

Rosalie and I again express our sincere appreciation to all Utah Good Sam members for their support and encouragement. We have truly enjoyed serving you as the State Directors, and hope you will continue to allow us to visit your chapter activities. We were most surprised when we received notice from the Good Sam Club that we were to be appointed as the Central Plains Regional Directors. We had a great deal of apprehension as we reflected upon the pending assignment for we truly enjoyed serving you as the State Directors. However, after considerable encouragement from the National organization, we accepted the new assignment and the challenges that it brings.

Following the National Good Sam Club meeting in Orlando, we were pleased with the direction that CEO Marcos Lemonis is taking the Club. While there are many changes, it will no doubt strengthen and build the Chapters. Foremost Marcos would like to see the Good Sam Club become known throughout the United States and Canada as people having fun, enjoying fellowshiping with one another, and giving charitable service. It is imperative, however, that we begin to find ways to invite and implement some younger people into our Chapters. Right now, all of us are aging, and unless we get some younger people involved our organization will die out.

Rosalie and I are anxious to continue serving and although we must serve in five states, still Utah is our home and we will look forward to visiting all of you as much as we can.

Harold & Rosalie Jacklin

## CHAPTER NEWS

### BEEHIVE ROAMERS

~ Salt Lake / Davis Counties

#### NOVEMBER

Bees normally hibernate in the winter but we do come out for FOOD!!! In November we had lunch at Robinson's in Bountiful....Yum.

#### DECEMBER

In December we celebrated the holidays with a "honey of a lunch" at Joy Luck also in Bountiful. We had 34 bees in attendance. We were honored to have Harold and Rosalie Jacklin (State Pres.) and Jean North (State Sec.) as our guests. New "Bee officers", Vice President Peggy Anderson, Joan Barlow Secretary and Wagon Master Dean Callister were installed. We had every kind of oriental food option imaginable for our hungry Bees. A good time was had by all with lots of Buzzing about.

#### JANUARY

January and a new year found us again in Bountiful. Like the real honey bees who shiver in their hives to stay warm and to keep the Queen bee warm, we shivered in ours too but did come out of our Hive to meet at the El Matador Restaurant for a warm lunch... "some like it hot" ....Buzz, Buzz.... Oh Lay!! Some of our bees were not there as they flew off to warmer climates for the winter.

Did you know that a Beehive has 600,000 bees in the hive? We don't need quite that many but are looking for more members to join us. We are down to 28 Bees in our hive. If you know of anyone interested please buzz them over to us. Are President Bee is Merrill Rowley @ 801-581-1590.

#### NOVEMBER

Our Thanksgiving campout was up on the hill over looking Mesquite, Nevada, at the newly formed Solstice R.V. Park. "Old Man Winter" showed us no mercy. Wind and rain blew right in our faces, Friday was the worse of the three days. Jackets, coats, long pants, hats and gloves was the dress for the campout.

Since most of us had never been to Solstice, we easily got lost trying to find it. When we finally did the clubhouse really felt cozy and warm. The amenities were great, every thing fixed just right, kitchen, rest rooms, large dining and meeting room, tables and lots of fun games, and a pool table set up. The guys had fun showing off what they could do with a cue stick and a rack of balls. As usual the dinner was delicious, with turkey and all the trimmings.

Only six rigs braved the elements for the trip down, but several drove cars down for the Friday dinner and meeting. We had a pretty good turn out and one visitor.

#### DECEMBER

Our Christmas party was held at the Palms RV Park in St. George, UT. Our entertainment was by the Sassy Senior's, Ladies dressed in gold colored costumes, very interesting to watch. Our member ladies decided to give our decorator (Lue Jensen) a hand and each would decorate a table for the season. There were some very pretty tables in that room which seemed to show off the lovely personalities of the ladies. The serving tables were decorated with all the food that not only pleased the eye, be the palate, again prepared by our lady members.

We learned that one of our members was injured badly from a fall and was in the hospital. Another one was seriously ill at home. We pray for a fast recovery for all our friends.

We welcomed a pleasant lady as a first time prospective member, Patricia Fitzgerald. She seemed to fit right in and enjoyed our Christmas celebration

#### JANUARY 23, 2013

Several of our members took off for Quartzite, AZ. While those who chose to remain home got together at the Golden Corral for a nice dinner and visiting. We had 19 members, three special friends, and four guests. Lou Jensen and Tony DelPrete who were absent last month were able to join us this time.

Our member Joe Barns is in hospital seriously ill. It's sad when we learn of bad things happening to our friends.

#### NOVEMBER

We enjoyed going to Heber for Cowboy Church, and Cowboy Poetry. Fun was had by all who went. After the Church, some people relaxed and ate at the Hub. We met at Jim's restaurant in American Fork for our chapter meeting.

Hosts were Jay and Phyllis Deuel and Kathy Pace. We brought donations for the Food Coalition to chapter meeting to be delivered later. We wished three chapter members a Happy Birthday. We delivered the food to the Coalition as well as Hat and Quilt to other places of need.

## DECEMBER

We met at the Holiday Inn in American Fork for our annual Christmas Party. The food was supplied by Rib City. Every member brought a white elephant gift for exchange. The members could either take a gift from another member who had opened a gift or select a new gift. Much fun was had by all as Jean North and DyAnn Houston read the Deer Sams version of The Night Before Christmas. Here is a small sample of the poem. "Twas about three weeks before Christmas and all through the county, not a Sammer was stirring not even a Scottish Mounty. The trailers were parked by the houses with care, in hopes no water line would freeze in the cold winter air. As our names were mentioned, we got to choose a gift. President Gary Houston announced that we were awarded Chapter of the Year along with Squaw Peaks Sams. Congratulation to Squaw Peaks Sams. We voted to accept new members, George and Karen Storey. That brings us to 18 rigs. We also had guests, Mike and Marcia Jarrett. Gary provided a "Chapter of the Year" cake that was enjoyed by all. December 31, chapter members met and Blaine and Sharon Nielsen's for a New Years Eve party. We had an impromptu breakfast at Denny's and an impromptu lunch at Appleby's. It was good to have the Davies at the lunch while they were home for Christmas.

## JANUARY

We met at the Sizzler in Orem for our January meeting. Our Hosts were our Honorary members. They provided candy and noise maker for the table decorations. Gary announced the various committee assignments for the year. Good fun and a good meal was enjoyed by those present. Mike and Marcia Jarrett attended for their second time. We look forward to having them apply for membership in the next few months. The restaurant provided a nice warm break for the frigid cold outside. The warmth of our friendships made it all the more enjoyable.

## NOVEMBER

Our November meeting was held at Beez Café in Roy. Absent of course were our snowbird members who are enjoying milder weather down south. At this meeting we voted to accept the Fisher House at the V.A. Hospital in Salt Lake for our charity drive. Each member will also bring \$5.00 worth of non-perishable food to donate plus on monetary contribution.

## December

We had a very nice Christmas Party at Maddox restaurant. We all brought our canned good donations and a check for \$400.00 was made out to the Fisher House. We were all happy to contribute to this charity and hope the food and money will help make the season brighter for some veterans and their families. Not only did we enjoy delicious food at Maddox, but three great cooks, Ella, Jan, and Deyon brought treats for us to feast on. It was nice spending a joyous evening with good friends.

## January

In January our new officers and those returning officers were sworn in to their respective jobs. Robert Lansford is our new President, replacing Bill Marsh. Kevin Burlison will now be our Vice President, and Jolyn McMullin will take over duties of Wagonmaster. Leslie Lansford and Cindy Burlison will continue their duties as Secretary and Treasurer respectively. We are glad that Jim Folsom and Afton Anderson are both recuperating from hip surgery. We wish them continued improvement. Our snowbird

Bert Mezenen is also doing great after some back surgery. Wayne Spendlove will under go surgery on his toe and his wife Deyon will be hiding all duct tape in the house. It seems that Wayne duct taped an injury causing more damage by practicing his own doctoring skills. We hope he is doing well and more importantly we hoped he learned his lesson about not using duct tape for medical issues.

Our former President, Jim Folsom and his lovely wife Ella celebrated 52 years of marriage in December. We congratulate them for sharing their lives together. All of us N.U.G.S (Northern Utah Golden Spikers) are sick of cold weather and snow. We all look at our rigs with longing for better weather.

### Happy Hobos

~Utah County

## NOVEMBER

The Happy Hobos held a lunch meeting at I-Hop in American Fork. The lunch was enjoyable and the hosts Jerry Wadley, Geri Peay and Edna May McBride had planned for the fine dinner and the food selection was very good. It was decided that the club would try to identify families who had special needs within the club area and donate to their Christmas. A committee was appointed to seek out the families. Club members also expressed sorrow concerning the death of the son of Ben Miller, Steve. Members enjoying birthday celebrations this month include Eileen Gonzales and Richard Howell, December birthdays include Ron Gonzales, Darlene Pace, and Marie Howell, and January birthdays are Jim Green, Pat Hardman and Joyce Phillips. Members decided that \$2,100 would be donated to seven different families. It was announced that the Christmas party was to be held on Dec. 13 at the Pleasant Grove Senior Center.

## DECEMBER, 2012

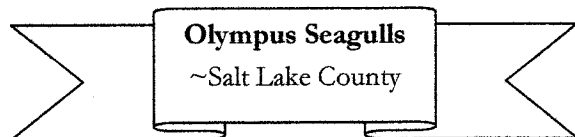

The Happy Hobo Christmas Party was held at the Pleasant Grove Senior Citizens Center. A delicious luncheon was served followed by a drawing for gifts donated by the members, several of which were quite humorous. Musical entertainment was provided by Cecil Peterson, guitar and vocal, and LeGrande Whatcott, harmonica. State Director Harold Jacklin and his wife, Rosalie, were also in attendance. Mike and Karen Johnson, prospective members, were introduced to the group. They have been serving the past many years as caretakers at Mutual Dell in American Fork Canyon. It was noted that all members and honorary members of the club were in attendance except for one couple. It was announced that our club had donated \$2,200 this year to various charities. A gift exchange was held after the dinner was served. Birthdays celebrated this month included Ron Gonzales, Darlene Pace, and Marie Howell.

## JANUARY 2013

A large number of Happy Hobo members were in attendance at the January meeting which was held at the Golden Corral in Orem on Jan. 10, 2013. It was announced that our group had donated \$2,100 for Christmas assistance to needy families. It was also noted that Harold and Rosalie Jacklin have been named as Regional Directors for the National Good Sam Organization. Brent and Jean North have been appointed as Temporary State Directors to take their place.

The Happy Hoboes have been given a Samboree assignment to handle the Ladies and Men's Luncheon. The Peach City Sams will be working with us. Those celebrating birthdays this month are Jim Green, Pat Hardman and Joyce Phillips.

~ Marcella Walker

## NOVEMBER

Our chapter met at the Sun Lok Yuen restaurant on November 8th. It was good to be with each other again and have a delicious meal. We reviewed our chapter's financial status and we're happy to know we are in good shape.

Marilyn Rasmussen donated 9 bags of jingle boxes to various hospitals. We have worked on these for several months. Harold Jacklin donated 100 warm winter hats to our chapter to be given to the homeless shelter. This made a total of 221 hats donated.

Richard Snideman, our president read the names of the nominees for next year's offices. We voted by ballot and all nominees were unanimously voted in. They are: President—Connie Theobald, Vice President—Mary Jo Bohmholdt, Treasurer—Marilyn Rasmussen, Wagon Master—Bill Bohmholdt, Historian—Marilyn Nash, Secretary—Janet Bird. Birthdays are Gwen McPhie 11/15, Cloyd Theobald 11/9 and Jack Young 11/19. Bill and Mary Jo Bohmholdt celebrated their 50th wedding anniversary.

## DECEMBER

Our chapter celebrated Christmas on December 13th at the Midvale Mining Café. We had 22 members attend. We also had Glenn and Carol Jean Carroll, state officers as our guests. It was a real treat to have them.

I was noted that Marilyn Rasmussen took 665 hats to Lincoln Elementary that our chapter had made.

We had a drawing for monthly host couples. It will be another enjoyable year that we all look forward to.

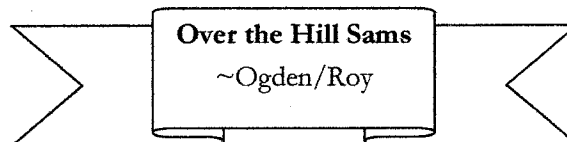

Birthdays: Linda Williams 12/30, Richard Snideman 12/27. Anniversaries Jack and Janice Young 12/3 58 years and Cloyd and Connie Theobald 12/29 also 58 years. Before dismissing we exchanged gifts.

## JANUARY

We held our meeting at the Golden Corral in West Valley. It was a week late because the weather was so threatening. The Utah Good Sams' Director Harold Jacklin and his wife Rosalie were our guests. It was a real treat to have them. Harold installed our new officers.

Thank you notes have been received from Lincoln Elementary for the 665 hats that we have donated so far. Our only birthday this month was for Janet Bird 1/12. We dismissed a little early because of "mother nature"

~Janet Bird

## NOVEMBER

Our St. George scout is telling us that the Snowbirds are starting to fly through the Virgin River Gorge on their way to all points South, and we wish we were among them. Here at home, twenty of us went to the South Town Expo Center to serve for the Utah Food Services. The funds derived from this go to our Humanitarian projects. We also served hot dogs at R. C. Willey. Sharon Wheeler, Chairman, thanked all those who took part in this service. Sharon also took 200 blankets to the Linus Club to distribute to the Primary Children's Hospital. Joyce Smith and Sharon delivered sweats to Washington Terrace, Roy and Club Heights schools. They all were very happy to receive these gifts from our chapter, and put them to good use. At our monthly meeting, Dave and Maurine Grover told us a little about their lives and were voted in and made welcome as members of our chapter. It is with extreme regret that we accept the resignations of the following couples: Richard and Ruth Funk, Rulon and Helen Jensen, and Theo and Ruth Maisey. They will be greatly missed. Twenty four of our group went to the Terrace Playhouse to see "Scrooge". They all said it was a very enjoyable production.

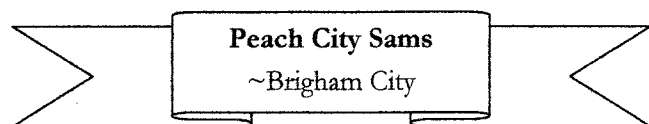

## DECEMBER

We met at Jeremiah's Restaurant to have our Christmas party. It was delightful being together and sharing the Christmas Spirit with all our friends. First we had a delicious dinner of either salmon or chicken cordon bleu. Then we each shared something wonderful about our best friend. We later played a fun game with candy bars as the prize. The one with candy left when everyone else's was gone was the winner and got to keep all the candy. However, all of them shared the pot of bars with everyone else. We thank Joyce and Doug Smith for all their hard work putting the party together. We want those who could not come to know that they were missed. It is always a wonderful evening when all the Over The Hill Chapter friends get together. We wish everyone a very Merry Christmas and a Happy New Year, and thank Diana Sewell for her reporting on this. It is always with deep regret that we have to acknowledge the passing away of one of our great and loyal members. Such is the case with the untimely passing of Ralph Osborne. He was a long standing member of our chapter, and was currently our Wagonmaster. Our condolences and love go out to his wife Edith and family.

## JANUARY

We received a report from one of our group staying near Brenda, AZ. The weather has been good, and it is a great place for four-wheelers. Just jump on and take off in any direction you want to go. The trailer park has hookups and a club house with food and games to make it a great place for those staying there. Back home in our monthly meeting, Jay Whittier was sworn in as our new Wagonmaster, and Dave Grover as Assistant. We look forward to a fun year of activities. Phil Wheeler will now be in charge of aluminum cans collection. Our Cooks Night Out will be scheduled by Ron Sewell, our Sunshine Lady will be Darlene Warren, Chapter Booklet by Ron and Diana Sewell, Humanitarian Involvement, Sharon Wheeler and Meeting Room Scheduling by Dean Scadden. We enjoyed Cooks Night Outs at Lucky China Buffet and the Greenery this month. Our lucky members staying at Yuma Lake, AZ, reported the east foothills of Yuma have a new Wal-Mart Store and a new LDS Chapel. They have had a lot of rain, and this can get to you real quick, but you don't have to shovel it or stack it up. The rest of us wish we were there.

~LaMar Scadden

## NOVEMBER

November we met at the home of Bob & Cathi Anderson with 12 members and 2 prospective members present. A delicious potato bar with all the trimmings was enjoyed. We played a fun Thanksgiving trivia game with Boyd winning with the most correct answers. Did you know that the pilgrims brought beer over with them to the new world? Or that only five women survived to celebrate the first Thanksgiving? Plymouth Rock is currently

the size of a car engine or that a turkey can run 25 mph? These are some of the things we learned from our run trivia game. We not only voted for the President of the United States today but also for Chapter officers. Paul Hales was voted in for another two year term, Bob Anderson stayed on as Vice President, Arlene Hales, Sec., Walt Summers is our Treasurer, Cathi Anderson our new Historian and Fredrick Kluss takes over the job of Wagon Master. We are looking forward to a really great year.

On Nov. 17 we held our annual "Holiday Dinner" at the Tremonton Senior Center. A delicious dutch oven dinner was catered by Steve Hales. We had 16 chapter members present with, Harold & Rosalie Jacklin, and Kenneth & Jan Summers as our guests. The tables were decorated with lovely holiday centerpieces and each couple was presented with a Christmas plaque. Door prizes were won by Cathi, Paula and Barbara.

## DECEMBER

There was no formal meeting this month, instead we joined to together at the home of Boyd & Doris Giles for a nice evening of good food, fun games, and great company. We enjoyed a variety of soups, bread sticks and desserts. We had 17 chapter members present with special guests Tom & Jean Ellery and, Kelsee, Jake and Haylee Stokes, grandchildren of Paul & Arlene.

Stages of Claus-trophobia - There are four stages of man. The first is when you believe in Santa Clause. The second is when you don't believe in Santa Clause. The third is when you are Santa Clause and the fourth is when you look like Santa Clause.

Hope everyone had a great holiday!!

## JANUARY

With 12 members and 5 guests present we held our first meeting of the New Year at the Golden Corral in Ogden. Paul informed the members of the new status of our St. Directors, Harold & Rosalie becoming the Central Plains Region Representatives and Brent & Jean North becoming the "Acting" St. Directors. We are very sorry to see the Jacklins' leave us but we are confident that the North's will do a terrific job and we give them our full support.

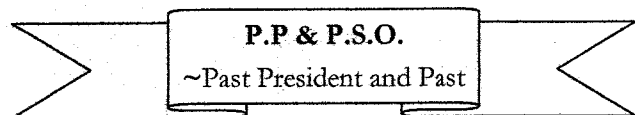

We have come to the conclusion that the chapter will have to be more flexible to accommodate our members. New ways to do this are being explored and if anyone has any really good ideas, please share!!

We got involved with a service project through the "Angels for Christmas" program, which was helping out a young family that was in a real need of some help for Christmas. A call was sent out to our members and in true Good Sam fashion, they came through. It was totally amazing what a few people can do when asked for assistance for someone in need. It was totally AWE-SOME!

We would like to report a truly Good Sam member of our chapter. On our way home after our meeting, on a cold wintery night we blew a tire. Bob & Cathi Anderson happened to be behind us and pulled over to help. After taking care of the problem, Bob

followed us all the way home to make sure we made it safely. This isn't the first time we have sampled the true GOOD SAM experience from Bob and we wanted to publicly thank him for his willingness to help out when needed.

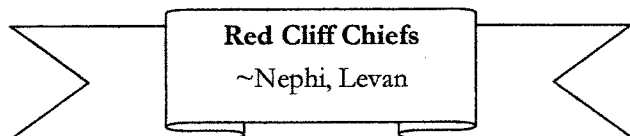

~Arlene Hales

## NOVEMBER

Our chapter meeting and luncheon was held at Jim's Family Restaurant in American Fork. Hosting our last meeting of 2012 were Gary & LaFae Pyne and Gary & Linda Bridges. The tables were tastefully decorated and candy favors were at each person's place. President Cloyd Theobald thanked the hosts; he then told the group that Jack & Janice Young, former members, would like to come to our luncheons even though they no longer have an RV. After some discussion, it was decided former members are welcome to attend. As we are without a Vice President, Cloyd said he hoped to fill this position by the time our next meeting comes around in May. Glenn and Carol Jean Carroll and Beverly Olsen will be the hosts for that month; however, the time and place have not yet been determined. Any past state officer or past president is invited to attend and can contact Cloyd Theobald for further information. We all enjoyed the luncheon, and we especially enjoyed visiting with those we don't get to see very often. It was an enjoyable afternoon for everyone.

~Beverly Olsen

## NOVEMBER

Our November meeting was held at Mickelson's Restaurant in good old downtown Nephi. We had our Thanksgiving Feast just a little early. We have a few new people thinking about joining our chapter. YEAH! Our turnout was pretty good, all of our members were present.

We were told to expect some changes in the National organization that would affect the state as well as the chapters... WHAT???? We all asked, but, we weren't told a darn thing. We all need to stay turned for the next episode of How Harold Holds His Cards Close To His Chest. The first of the year will be when we find out WHAT? We discussed where we should donate \$\$\$\$ for Christmas. We choose our local Sub For Santa in Nephi.. Our next meeting will be our Christmas Party. More food and more fun. Happy Holidays.

## DECEMBER

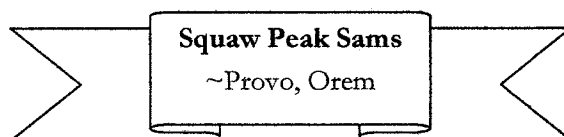

Let it snow, Let it snow, Please let it snow. We have seen very little of the white stuff and it really doesn't feel like December. Some of the good weather members have left for the winter, we miss them already. A few more are gearing up for the exodus. Our Christmas Party was held at the Juab County Cultural Hall in the court house. We had a yummy meal. Old St. Nick was there but in disguise, he looked just like Dale Dennis. He tried to tell us Santa was taking a break and we had not been very good this year. WHATEVER.... After dinner the new officers were sworn in by Gary Taylor. Everything just keeps moving.

We had a fun time exchanging gifts and trying to sing Christmas carols. A good way to end another year. Merry Christmas Everyone!!!!

## JANUARY 2013

Well Happy New Year to everyone. We did get our snow. However, the COLD is getting a bit too much. We held our first meeting of the new year on January 3rd in the Juab County cultural hall of the courthouse. Since it has been SOOOO Cold, we had a superb meal of several kinds of homemade soups and salads, breadsticks and of course desserts. Then we got down to business. Dody Carter conducted her first meeting. We were told about the new changes that were taking place with the regions and state alignments. (What I'm wondering is, will Harold keep his brother as part of his team??? I think we'll miss hearing about him) Business as usual, things change, but everything keeps going forward. Looking forward to a new and exciting year. Hope it's what we all wish it to be.

~Nancy Sperry

## NOVEMBER

Thanks to our hosts Allen and Helen Perry who chose "Friends and Alumni" for our November theme. We met at the Orem Golden Corral with our beloved alumni members. We had a good turn out with 40 people present. Wally Eklund gave us a wonderful thought: "When the Frost is on the Pumpkin".

We voted for our new 2013 officers: President: Ray Snow, Vice President: Fawn Christensen, Secretary: Linda Bridges, Treasurer: Debbie Christensen, Historian: Ilene Carter, Wagon Master: Gary Bridges. For our next meeting we will bring canned food and socks to next months meeting for charity. Birthdays: Jean Eklund, Ilene Carter, Gloria Despain and Ray Snow. Anniversaries: Wally and Jean Eklund 70 years, and Micky and Ilene Carter 45 years.

## DECEMBER

Our group had a couple extra activities this month. First, we were invited to a celebration for Wally and Jean Eklund's 70th

## DECEMBER

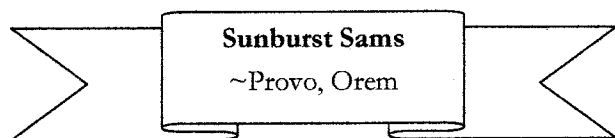

Our group had a couple extra activities this month. First, we were invited to a celebration for Wally and Jean Eklund's 70th Wedding Anniversary with Wally's 90th birthday party. The surprise party was held December 1st at the home of their son, Carl, in Roy, Utah. Most of us were able to go, it was great fun! On December 13th we had 39 people to serve at UVU. We had the help of many friends and family.

"Where will your feet take you?" was the theme of our annual Christmas party at White Willow in Provo. Everyone brought food for the food bank and there was a tree that members hung socks on for Community Coalition. We had 138 lbs. of food and 175 pairs of socks. Our 2013 officers were sworn in and the next years activities were read. Our chapter received the "Chapter of the Year" award in a tie with the Utah Deer Sams, thank you to the committee that worked on the book. Everyone received homemade peanut brittle and a DVD of pictures of the last year's activities, given to us by Gary and LaFae Pyne and made by Ilene Carer. It was very enjoyable to watch. Thanks Gary for being this year's president, you've done a great job. We've had a great year! Birthdays: Wally Eklund and Allen Perry. Anniversaries: Allen and Helen Perry 46 years

## JANUARY

Gary and Linda Bridges were our hosts January 14th at the Sizzler in Orem. Six couples of us are snow birding in Arizona with more to join them later in the month. John Saxey gave the thought, and he thought it was better when Wally gave the thought. Ray Snow told us the State meeting items. Good luck to Harold Jacklin on your new assignment, you'll be missed. Good meal, great friends and looking forward to an enjoyable 2013! Birthdays: Ray Baxter, John Saxey, Joyce Snow, Neil Price and Marcie Henrie. Anniversaries: Donna and Neil Price 51 years.

## NOVEMBER

Our dinner meeting was hosted by Charlie and Kwan Pedago. They chose to hold our meeting at a fun Mexican Restaurant in Lindon Utah. Due to illness the clubs president Glenda Edwards had her husband Herby conduct the meeting. Herby is always fun. You never know what he is going to say. We were happy that the Edwards, Pat and Myron Clegg along with Jane and Mel Laird were home so they could attend. They reported on their fun trip to Branson Mo. Glenda just made it home into time to get very sick with the flu. Barbara Zeigler also went with them and came back to Utah for a short time so she and friend were able to come to the meeting also. What fun to see Barbara.

## DECEMBER

This month we held a great Christmas party at Carabbs Italian

Restaurant in Orem. Glenda and Herby found this fun place to hold our party. A private room with wonderful service and fantastic food. What a great place to have our party. We all decided to bring a his and hers gift to exchange. Glenda had us play a silly game of exchange, exchange exchange. We were laughing at each other as we played this game. We all brought canned food for the food drive and Toy's for Tots toys. Our club lost one of our much loved and respected members this month. Tom Tapper past away suddenly. Tom was always helping in any-way that was needed. He never went anywhere without a funny story to tell. He and his sweetheart of 70 some years Scotty, were traveling with the group well into their late 80's. Scotty, our thoughts and love are with you and your family. Tom was 94 years young when he past away. He will be missed by everyone who knew him.

## JANUARY

Our meeting was hosted this month by Janet and Dick Clements. Due to the inversion they decided to hold the meeting in the afternoon so those who lived out of the Provo/ Orem area did not have to drive in the fog. The meeting was held at Mimi's Cafe in Orem. This month half of our Sunburst Sams were down in Yuma leaving the rest of us to 'hang in there' and face winter. The Edwards, Lairds, Clegg's, Lloyds and Tanners are all down in Yuma playing golf leaving the rest of us to shovel out. Jerry Olson, the vice president conducted the meeting. We had a fun surprise when Scotty Tapper came with her daughter to join us. We also had two more of our retired couples Charlie and Edna Hawk and Roy and Opel Gillespie also came out for our meeting. It was so great seeing all.

## NOVEMBER

Well, we are now meeting inside, no more camping unless you are a snowbird that flies south to the warmer climates.

This month we met at the Golden China restaurant, in Taylorsville and enjoyed a good meal and entertainment. We had 23 in attendance with hosts, David and Mary Jager and Ralph and Shirley Mortensen. This restaurant has a Chinese flair and is a good place to go. Those provided a banquet room for us as we are sometimes kind of rowdy. We had a light business meeting and then the host took over. Birthdays and anniversaries were recognized. One game that was played had a secret word, if said you lost your little clip. The one with the more clips at the end was the winner in the game. The other was a games with two cards and a prize drawing with all prizes becoming traveling objects and finding a new home each time if it was sought after. All enjoyed their time and the meal.

## DECEMBER

This was our Christmas dinner meeting and was held at the Higgins home in South Jordan. The presidency was the host

with everyone to bring an assigned dish. We exchanged Christmas cards and brought a \$10.00 unisex gift to exchange. The food that was brought was delicious and filling. We had one anniversary and sang to them and no birthdays. We had no business meeting. Passed out the gifts with a poem that was right in with the persons name then when the gifts were distributed they traveled to and fro, back and forth to a poem that had a lot of left and rights in it. We then played a game that was like charades but you had to act it out for the first person and then that person acted it out and son for the succeeding people that were out of the room. We all had a lot of fun.

We had a total of 15 blankets that were done through out the year and were donated to the West Jordan Hospital on the newborn section of the hospital. Thanks to all who helped with the blankets and quilts.

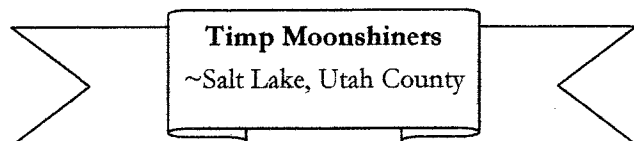

## JANUARY:2013

January is the month that we do our service project and we met at the Higgins home. We brought soups, rolls, and desserts. Our hosts were Nick and Patti Gilbert.
